**A week of
FREE
fun family
activities!**

Play is a magical and mighty thing...

When babies and young children play, they're learning so much about themselves, you, and the world around them. It also gets them active and it's lots and **LOTS** of fun!

We'd love you to join us for another Baby Week Bradford from 14-20 November 2024 to get playing indoors and outdoors right across the Bradford district. All together now: **hooray for play!**
